

Step by Step School of Dance

EXTRA CHOREOGRAPHY INFORMATION

Extra choreography, solos, duets and small groups, are offered to students who want to excel in dance. It is a great opportunity to work with a teacher on a more personal basis. The teacher will schedule choreography times with you. The dancer is responsible for working independently, videoing, and practising to achieve a high standard. Dancers should be registered in Stretch and Technique and two Ballet classes (Junior 2 require one Ballet class), as well as the discipline that they are requesting, with the exceptions of Tap and Hip Hop.
