Welcome to another exciting Preschool season!

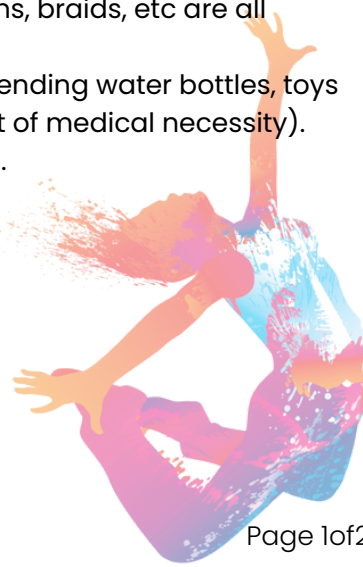

This newsletter contains details that are specific to the preschool program and will help our season get off to a great start. Thank you for taking the time to read through!

Class Structure

Continuing this season, we will be teaching different disciplines each week. There will be a sign on the front doors indicating which shoes dancers should wear - ballet shoes or tap shoes. Please label all of your dancer's shoes with his or her full name (or first name and last initial).

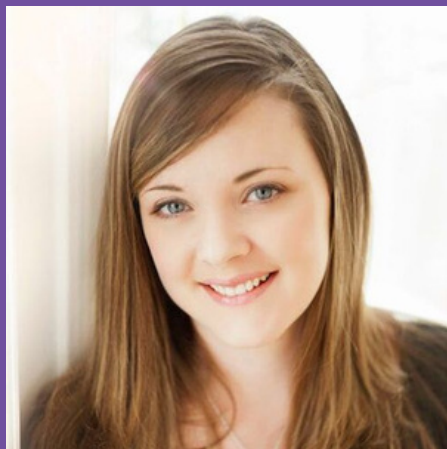

Help classes run smoothly

- **Washroom:** Please ensure your child has used the washroom before class begins.
- **Shoes:** Tap shoes that are well fitted do NOT require laces and can be removed. Ballet laces should be knotted securely and trimmed to a manageable length.
- **Hair:** Dancers should have their hair pulled back, off of their faces for dance class. Ponytails, buns, braids, etc are all acceptable.
- **Water Bottles:** please refrain from sending water bottles, toys or dance bags into class (unless out of medical necessity). These become a distraction in class.
